I said give me the phone!
NOW.
Anya, stay away from him.

Relax buddy.
Physically, you are still
safe but better be careful
on how you answer
her questions
or else-..
S-she was
there the
whole time!?
Nevermind,
goodluck!

Mr. Nathan Greene.
Take Quinn inside.
You're next after this.
I think Mommy's really pissed, Dad.
Quinn, you love Daddy, right?
Mom, it's fine now.
Our reservation expires at 2P.M.
I'll get my things and we'll take our leave..

No you don't.

??

You stay
and this kid is going
back to his crib.

No one's playing today.
!!!

Wait..WHAT!?
MOM C'MON!
It's nothing serious!
You can't cancel our match just because he--!
I mean,
I've practiced so hard for this day and just like that!?
NO! You can't do this!

Okay, how
about we play..and..
afterwards..uhmm..
you can talk to him, right?
"We" can
talk to him!

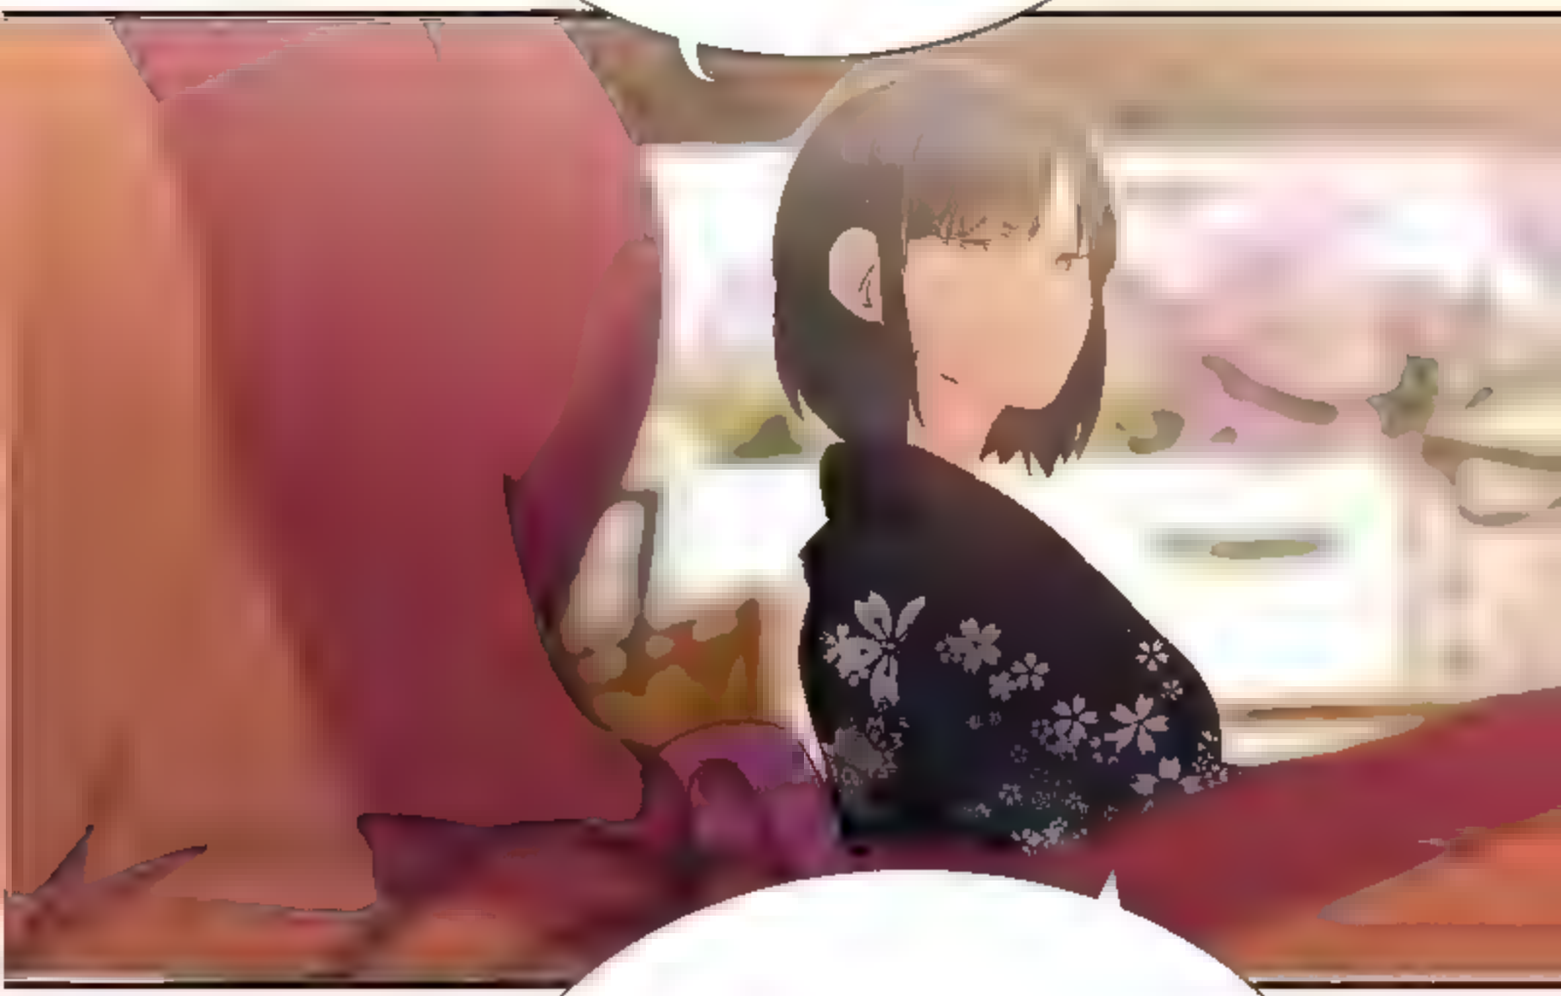
How about that?

SENSEI,
I THINK I SCREWED UP.

I HAVE TO DO SOMETHING.

Anya, can you hear yourself!?
He attempted to kiss you and

stole a picture. After all that, you still want to talk with this prick!?

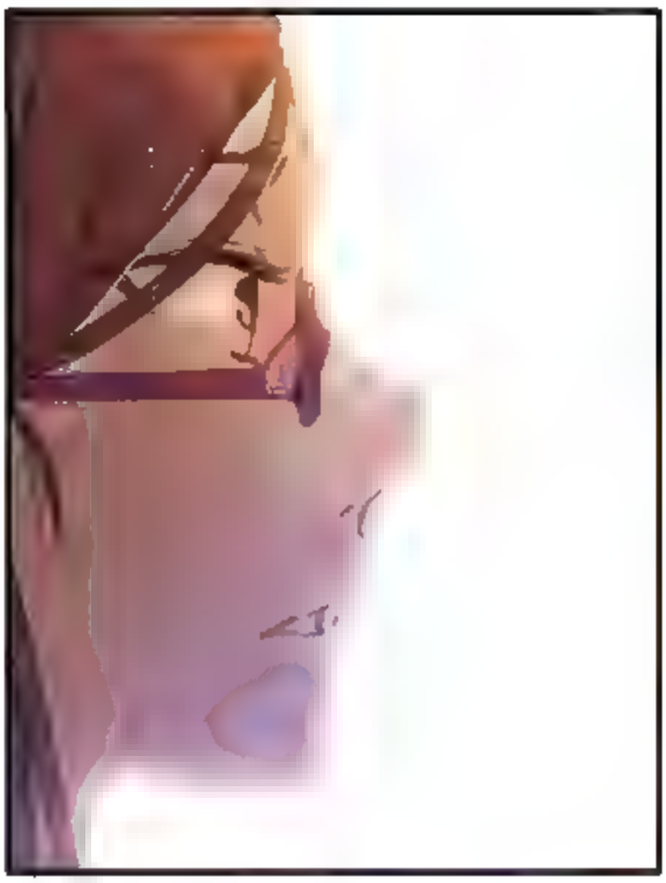


My decision is final. Go to your room and reflect on your reactions.

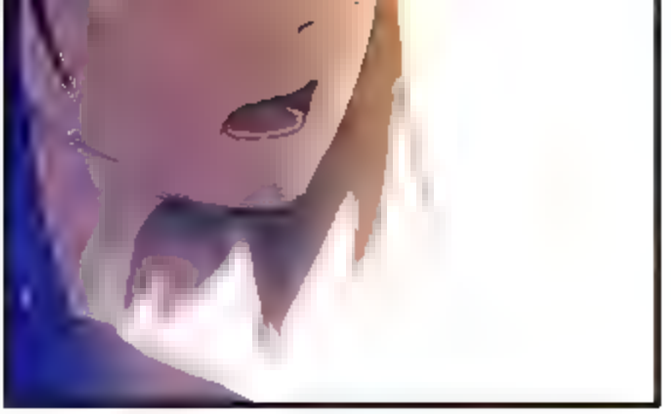
No! .. ..NO! This is not your call, Mom.

You have nothing to do with this.
You can't tell me what to do.
WE'RE LEAVING.

What did you say?



You really think
you are that good?



NO.

NOW

GO TO YOUR
ROOM!!

I HATE
YOU!!!

YOU!!!

What are you doing?

Hey,
you don't have to
be so mean to her.
That really hurts, coming
from her own mother.
You know that

It's my fault.
I will take responsiblilty on everything Axel has done.
Let them play.

We can talk now, Please.

Get off me!
The damage has been done, Nathan!
I'll teach you both a lesson, wait for your turn!
Mommy..

Daddy,
is he really a bad
person?

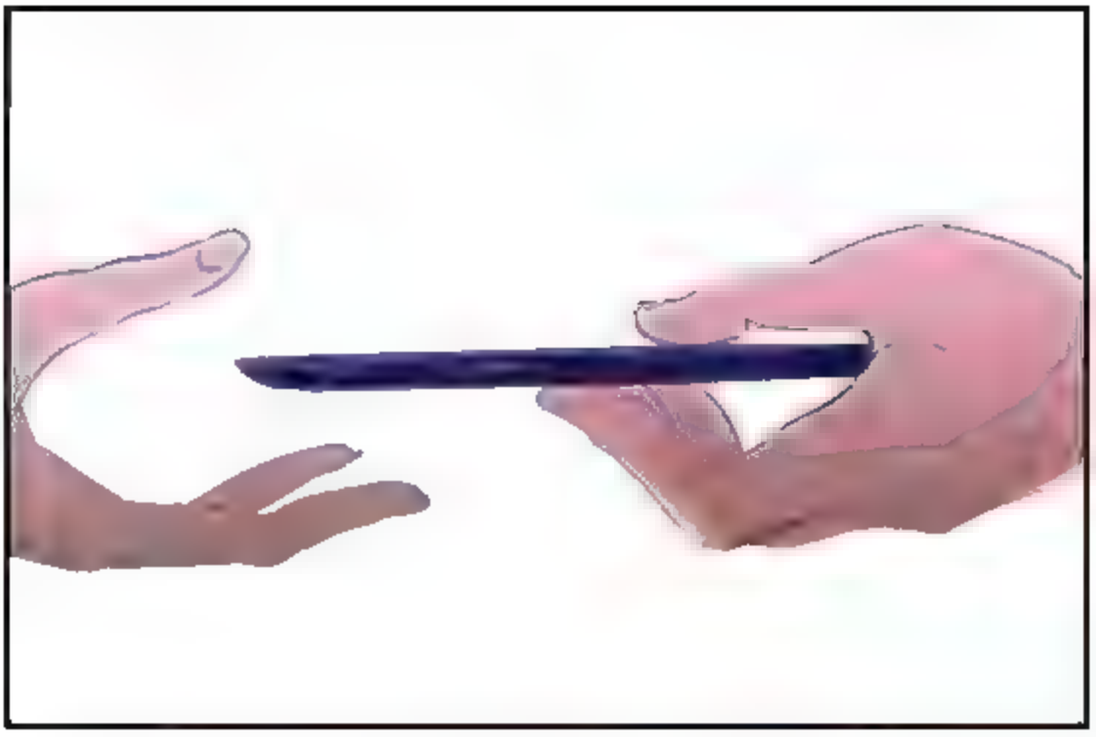
No Quinnee.
This is my fault

NOW THEN...

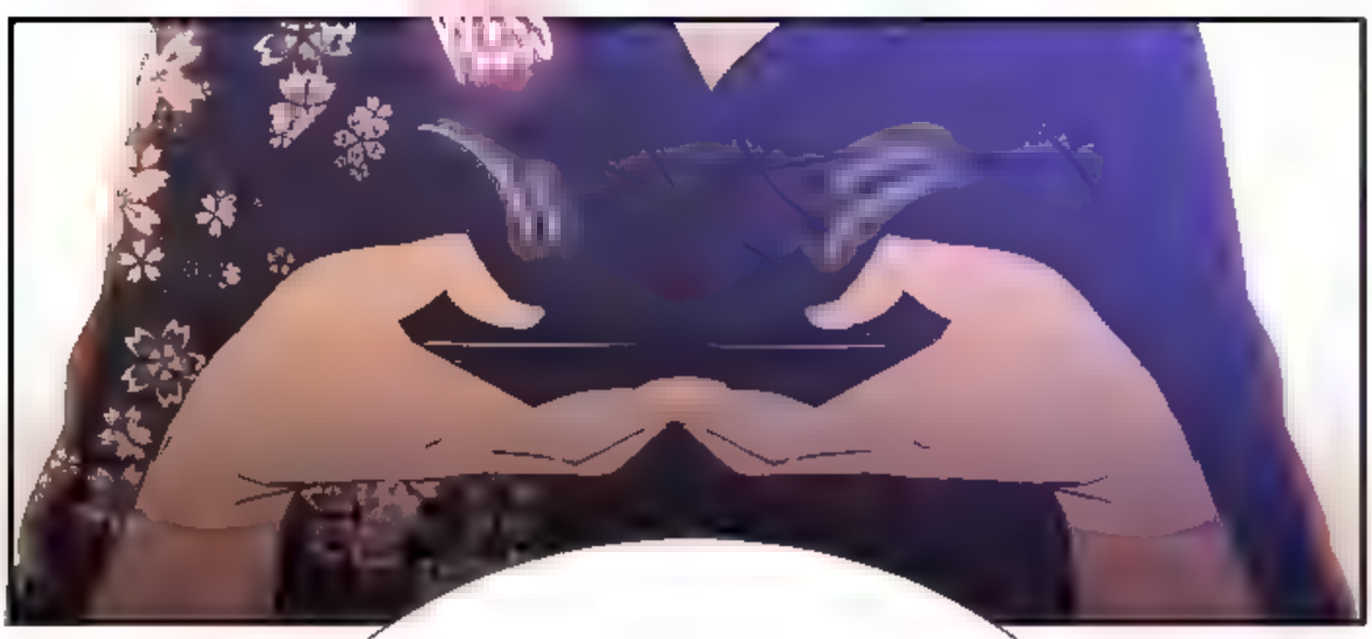
Give me..

the Phone

...the Phone.

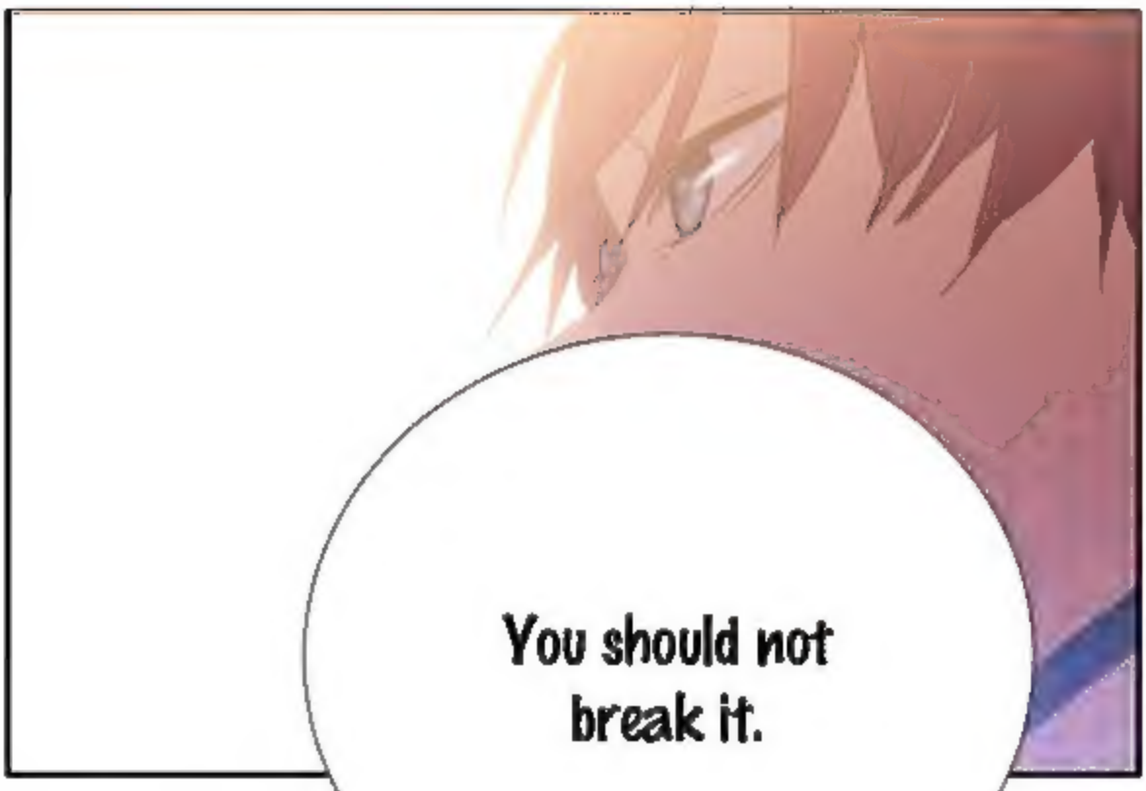


I want you to answer just one question.



Give me one good reason why I should not break this Phone?

THUD
I APOLOGIZE FOR DOING A PRANK ON ANYA. I AM TRULLY SORRY!
Ayane-san, if I my reason is valid, will you revoke your decision and let us play?
Go ahead. Give me a stupid answer and I'll break your neck as well.



You should not break it.

..because that Phone..

..is mine

..not yours.

To be continued..
